---

The Electrical Clearing House of Louisville (Echl) has been a source of information and instruction for over 100 years, we were organized in 1912. The purposes and objectives of the association are:

- To promote professional improvement and encourage fellowship of its members and groups associated with the electrical industry of Louisville, KY and surrounding areas.
- To promote the education of its members in the safe and proper installation of electrical equipment and related products.
- To promote the enactment of laws and licenses in order to prevent loss of life and property pertaining to the use of electricity.

The Echl has a website ([echlky.com](http://echlky.com)) that has material for electrical contractors and our members that keeps them apprised of new information that reflects the association's objectives for their new and renovation installations.

We are looking for sponsors for our website. If you or your company / organization would like to be a part of this effort, we would welcome you. The yearly cost of sponsorship is \$100.00. We would like for you to send us a copy of your company's /organization's logo (in JPG, PNG, or SVG file) and it will be placed on the Echl website with a link to your company / organization.
